

## Blue and Gold Table Lanterns

**Light up your night with table lanterns for your Blue and Gold dinner.**

**You need:**

16 Craft Sticks  
4 Scout Foamies  
Blue and Gold Paint  
Foam Brush  
Wax Paper  
Tacky Glue  
Small Candle, Tea Light or Glow Stick

**Instructions:**

Paint 16 craft sticks blue. Dry 4 wooden cut outs gold. Let dry.  
Lay a 24" piece of wax paper on your work surface. Start at the left bottom and glue four craft sticks on the wax paper to make a box. Right next to it make another box of four craft sticks. Repeat two more times so you have four boxes. Glue wooden cut outs in place. Let dry.  
Trim the wax paper along the top. Trim down the side but leave a half inch to glue. Fold wax paper to make a box.  
Glue flap to secure. Set a candle in a votive inside and see how pretty it looks when the light shines through.
