How To Make It

1. In each of the corners of the blue construction paper, hole punch one fleur-de-lis. (see photo)

4. Use decorative corner edge scissors, if desired on the strip of yellow construction paper.
5. Have the Cub Scout write his name, in his handwriting, on his place mat.
6. Make additional place mats reversing the colors for each guest, leader, and Cub Scout at the table.

Tips

We found our fleur-de-lis punch at a local scrapbooking store. You will be able to come up with many uses for this hole punch. The decorative corner edge scissors are available at many craft and fabric stores.
