

Tiger Cub Mini First Aid Kit

An easy and quick group activity to make at a den meeting.

Parental supervision is recommended.

This project is rated VERY EASY to do.

What You Need

- Fuji film canister
- Scissors
- Orange or black pony bead
- Tiger sticker (from Tiger Cub Family Activity Packet)
- Orange plastic lanyard (Rexlace)
- Midget Tootsie Rolls
- Alcohol swab
- Band-Aid
- Q-tip
- Hot glue or "Glue Dots" (A & W Products)

How To Make It

1. Adhere the pony bead to the top of the film canister using either hot glue or Glue Dots.
2. Place a Tiger sticker on outside of canister.
3. Lace the orange plastic lanyard through lid. Tie a knot. You can also use a hole punch and punch 2 holes in the lid then string the lanyard through. Tie a knot.
4. Cut a Q-tip in half.
5. Put Tootsie Rolls, alcohol swab, a Band-Aid, 1/2 Q-Tip inside the canister. Secure the lid.
6. Put your Mini First Aid Kit on your belt. If you get hurt or lost from the group, clean the spot with the alcohol wipe, put on a Band-Aid, and eat a Tootsie Roll.

Tips

Note from Sharon at Kids Domain: We found Glue Dots at our local Wal-Mart in the school or business supply area. Although the Glue Dots are a lot more expensive than a hot glue gun, they are SAFER for children to use. Supervise the use as this adhesive is extremely sticky and can be a bit tricky to use at first.
