

# Railroad Safety Bingo

10-15 MINUTES  
(PER GAME)

YOU WILL PLAY A BINGO GAME USING RAILROAD SAFETY MESSAGES.

## ★ MATERIALS

You must have ready:

- Railroad Safety Bingo cards
- Pens or pencils to mark the cards
- Railroad Safety Bingo Tokens, cut out
- Bowl, fishbowl or other container
- Prizes for winners

## ★ INSTRUCTIONS

Read out the statements on each Railroad Safety Bingo token as you place them in the container so that the children know what they mean (ie, "watch for a second train" is not immediately obvious.) Distribute the cards and pencils or pens. As you draw a token, read out the statement. Children should then cross off the statements on their cards if they have them. A Bingo can be four across, down, or diagonal. The first one to get a Bingo wins a prize!

Note: There may be more than one winner, so bring multiple prizes
